NOTICE TYPE: Your Approval
CLASS: BOG
VALID FROM: 06/27/2013 - 06/26/2016

POE: San Francisco, CA

The above petitioner is seeking your approval! Since the power to approve this petition to elect me to the Board of Governors is in your hands I will require your vote in order to notify AILA that you wish for me to be re-elected and notify the powers that be to return me to the BOG. You can vote by returning the required email or in person at the conference, don't use the tear off portion to show your approval, but you can keep it for future reference! However THIS FORM ALONE IS NOT A VOTE AND IS NO SUBSTITUTE FOR YOU VOTING.

Petition approval from prior years, (I have served as Director on the BOG since 2006) does not authorize re-election, only your vote this year will do that! When I am granted permission to serve on the BOG, by your vote I will work far beyond the parameters of those items detailed in my statement to you and beyond the period authorized in any event. The petitioner needs your support. Please do not contact the IRS about anything!

If circumstances change, in immigration law, and they will change, I, the petitioner of you the proposed beneficiary promise to be in the forefront of the issues and debate on revised and renewed immigration law.

APPROVAL OF DIRECTOR STATUS.

- **State Bar of California - LL.M.** in immigration law from the University of California, Berkeley, Boalt Hall School of Law - **Hague Academy of International Law**, International Research Symposium, environmental refugees - **AILA member for over 15 years** - Director, AILA 2006-2009 and 2010-2013 - **AILA Mentor** for attorneys in the area of port of entry and consular/visa processing - AILA Liaison, Department of State - **AILA Board Liaison, Global Migration Steering Committee - AILA Rome Chapter Liaison Committee, Chair** - Organized and edited the online update to AILA National's Publication Immigration Practice and Procedure Under NAFTA, First and Second Editions Directory for Ports of Entry Along U.S. Canada Border, for two years in a row - **Prepared reports** to the former U.S. INS, Canadian Embassy in Washington, U.S. State Department (Visa Office), regarding the state of cross border immigration.

APPROVAL BY AILA

The biggest challenge facing AILA over the next three years will be addressing the forthcoming changes to immigration laws. What this means is that there will be many unknowns. **AILA's role in advocacy will be critical to ensuring that interpretations are clarified in a manner that supports immigration positively. I want to ensure that we are "on our toes" in deconstructing and examining the impact of the new laws and the various nuances of their manifestations practically.**

AGENDA FOR BOARD OF GOVERNORS WORKER

As Director on the Board, I also want to ensure that AILA facilitates greater member involvement to satisfy member needs. I will work to expand AILA's liaison with the Department of State and DHS, as well as ensure that AILA Attorneys maintain the highest level of ethical standards in their practices.
