This progress report is provided to give you a “snapshot” of the Dallas District adjudications program. Personnel restraints preclude us from answering inquiries that are not within these time frames. Please make all inquiries through dallas-district-inquiries@dhs.gov. Please include your e-mail address in the text. If you have never used our email inquiry system, please send an e-mail to the address above and we will forward you the inquiry process guide. We will reject any inquiry submitted outside the timeframes indicated in the column marked “Cut-off date for inquiries”. *If you know that the case is being held pending security checks based on an inquiry, PLEASE DO NOT SEND US ADDITIONAL INQUIRIES for 120 days.* These cases are closely monitored and will be completed when cleared. For purposes of this report – “referral” is when a case is transferred from a service center to the field office. “Current” means that an inquiry can be made any time after 60 days of filing. Current processing times are located on the USCIS website at www.uscis.gov.
